"Making a World of Difference"

Michael Tanner

They call me "Mr. T." but my real name is Michael Tanner. I come from a large family and hail from Texas. My competitive gymnastics career began in 1971 and I was a member of the National Championship High School team.

I have been coaching for 26 years and love to teach children.

I look forward to being a part of your child's education. I know they will have a lot of fun this year.
