"Making a World of Difference"

Paige Phillips

My Name is Paige, and I'm back at Tulsa World of Gymnastics for my tenth year to take part in teaching your child the wonderful sport of gymnastics. I have taught gymnastics from preschool age to team for the past twenty-five years.

Because I love kids my mornings were spent at Kirk of the Hills Preschool.

What a life! My entire day is spent playing with kids.

I am looking forward to being a part of your child's gymnastics experience. I hope it is a great experience they will remember for a lifetime.
